Sabian 8" AA Mini Holy China (20816CS)

Sabian 8" AA Mini Holy China (20816CS) Designed with Chad Smith, all the volume, trash and cut of the Holy China is now available in a Mini Splash format. With its exaggerated high profile, single row of holes and raw bell, the 8″ AA Mini Holy China cuts better than any other cymbal its size. This special design delivers the type of high-end white noise that is typically associated with larger cymbals. That's because more trash equals less tonal character and more white noise in the cymbal's sound, resulting in boosted cut. Think of it as a...

Sabian 17" AA Holy China Cymbal (21716CS)

Sabian 17" AA Holy China Cymbal (21716CS) The 17" Sabian AA Holy China Cymbal was developed with Red Hot Chili Peppers drummer Chad Smith. Sabian innovation and forward-thinking cymbal design come together in this truly modern Chinese cymbal. With its 48 holes, large raw bell, high profile and wide lip, this is truly a monster of loudness and cut! Smaller holes create a smooth attack minus the lows and distortion of larger O-Zone holes. Crafted from pure SABIAN B20 Cast Bronze
